

End of an Era???

We need YOUR help! For more than 10 years the Thursday evening dinner at St. Charles has been a community staple. Under the guidance of Charles and Jean Smith, and sponsored by the Knights of Columbus, has furnished food and fellowship to the Greenville community. The meal has grown from once a month to every week. Charles created 7 teams to take on this additional work and eventually creating our own menu for the meals.

Since the beginning of this year our team leaders have experienced health and personal issues which have made this commitment difficult to maintain and with the mandate of the State, we have discontinued the dinners. We are in need of New Blood in order to continue this ministry. Pray about your roll in the health of the Church and contact Charles or Jean Smith if you are called to serve (616) 648-9898.
