

Do YOU have Someone to Pray For??

Did you know praying for love ones or friends is a faith based practice among many religious groups Catholic Christians have it one better. We can also pray for our loved ones who have passed. This practice goes back to the early Church. No only do we pray for those but we even have Masses said for them. This is such a beautiful prayer we can offer were not only are we able to pray for them, but so are all those who are attending. Think of all the grace which flows from a single Mass.

The next most powerful prayer we can offer for intercession for both the living and the dead is the Rosary. Mary asked us to pray the Rosary daily for the souls in purgatory. In keeping with this tradition the Knights of Columbus invite you to join us every Saturday morning at 9:00 to pray the rosary. The more people we have the greater the number of prayers we can offer.

Think about it. It only takes a half hour. Surely you could sacrifice that small amount for a friend, relative, mother or father to ask God's intercession to help them.
