

Welcome Back

Welcome back to all of you who have returned to Sunday Mass. It really makes me thankful that this pandemic is finally turning around and we can get back to worshipping God in person. I know some of us still feel a little uneasy being around so many people, and that's ok. The experience of attending live Mass is so much more spiritual than watching it on TV or the internet. I am sure you will agree that the feeling of being in the presence of God and the angels and saints is really special. This is dwarfed by the experience of receiving Jesus in the Eucharist. This is a true miracle we can all partake of and bear witness to. A gift from God to enhance our lives and bring us closer to God. It is good to see old friends and new ones; visitors also. A feeling of true presence invigorates the atmosphere; you can feel it. Thanks be to God.

I am sure it will not be long until we will all be back and once again we will need volunteers for hospitality, altar servers, extraordinary ministers of Holy Communion. If you would like to fill one or more of these ministries contact the office. I am calling upon ALL knights to get involved. This is one of many ways we can serve God and our community. Jesus said He came Not to be served, but to serve. Pray about what your role is in the Church, May God Bless You All.
