

## The Year Is Almost Over!

Yes, that's right. The fraternal year of the Knights of Columbus is almost over. Our annual "end of the year family picnic" will take place on Sunday June 27th. Look for more information later. June 30th is the last day and we have much to do before we begin a new year. We need to elect officers for the council. Anyone who wants to get involved need only contact Charles Smith, James Rewa, Larry Kassuba or Stewart Smith and submit your name or that of another knight. The committee will do the rest. These are members of the nominating committee who's job it is to assemble a slate of officers for the council membership to vote on during its June meeting. All positions are open. **Grand Knight, Deputy Grand Knight, Chancellor, Treasurer, Recorder, Advocate, Inside Guard, Outside Guard, Warden.** In addition we have several directorships available to be appointed after the election. **Community Director, Faith Director, Family Director, Right to Life Family Director, and Communications Director just to mention some.**

As the new year unfolds it appears as if things will get some-what back to normal in October. If this is the case we will Knights to step in and help organization different outreach programs we do. One of the most important ones is the Christmas Angel program at St. Charles. Through the leadership of Frank and Connie Ladiski, over the years the parish through the Knights have helped hundreds of families have a blessed Christmas. Because of several factors we are in need of a couple to take over and continue this vital program. Because of the size of this project it would be ideal if two couples, working together, could take it over. Anyone interested should contact John Brown (616)754-4085, Tom Russell (616) 250-0981, Stewart Smith (616)540-0092. Complete training is available from Connie Ladiski for any interested parties. This would be a good opportunity young couples to get to know the parish and do something really great. This is only one of many ways to serve God and your neighbor. Think about it as we start our busy summer. May God Bless.
