WHERE ARE THE PIES??

Due to circumstances beyond our control or imagination our pie fund-raiser for this year has been cancelled. Because of the Covid 19 virus, the facilities we were contracted to use have become unavailable and the renovation of the gym at St. Joseph's in Pewamo had to be halted so it is not available. We have investigated alternative dates and locations without much success. Our council partners have also cancelled the pie fund-raiser for this year. What this means is that besides not being able to deliver our great tasting pies, the projects this supports are also impacted. During the next couple of weeks a knights member will contact you to verify your address so we may return the moneys you have paid. Some of our supporters have decided to donate this money to the Knights so we can continue our work. This is greatly appreciated. We look forward to next February when we will be offering our home made pies. Thank you for your patience and support.

Corpus Christi

Last Sunday we celebrated the feast of Corpus Christi with a procession and benediction. What a beautiful way to say thanks to God for giving us the gift of His Body and Blood. As we continue working our way through this pandemic, let us show this same great love for God's children by observing all rules, but in addition be calling friends and family members to check on them to make sure that they are OK. If you get the chance give Blood. Volunteer at the food bank or help with the meals on Mon-day and Thursday. Look after one another.

May God continue to Bless All of You.

Thanks Be to God!
