

KNIGHTS CORNER

November 14, 2021

"You don't do anything." Nearly every member of the Knights of Columbus has heard someone say that at some point. Unfortunately, it couldn't be further from the truth. Just since July alone, our local council has:

- > Held a prayer service in honor of Blessed Michael McGivney, our founder.
- > Held a furniture sale in conjunction with St. Charles School to raise funds for the school and our council's charity work.
- > Held a prayer service for peace on Sept. 11, the 20th anniversary of the terrorist attacks.
- > Raised money for people with intellectual disabilities during our Tootsie Roll Drive.
- > Welcomed three new members.
- > Helped build a handicap-access ramp.
- > Held a food drive as the holidays approach.

Soon we also will be holding an Advent preparation service, distributing Thanksgiving baskets to the needy, holding a "Keep Christ in Christmas" poster contest, a spelling bee and a free-throw contest, and sponsoring the Christmas Angel program. We believe all of these are worthwhile programs in service to our parishes and communities. We also believe other men could benefit from joining our company. For information on membership, go to stcharleskofc.org or contact Mike Karpus at 616-225-9419.

St. Charles Council #2084
