

KNIGHTS CORNER

April 3, 2022

This past Tuesday was no ordinary Tuesday. On March 29, 140 years ago, the charter of the Knights of Columbus was approved by the state of Connecticut in 1882, legally incorporating the Order. The fraternal organization founded by Blessed Michael McGivney in New Haven now counts more than 2 million members worldwide, including more than 130 members locally in St. Charles Council 2084, and March 29 is celebrated annually by the Order as Founder's Day. The one thing the Knights have been lacking for all of its 140-year history, however, is YOU. Become a Knight today by contacting Grand Knight Mike Karpus at 616-225-9419 or gk2084@mikofc.org, or go online to stcharleskofc.org and click on "contact us."
