

KNIGHTS CORNER

May 15, 2022

Jesus gives us a new commandment: love one another. Yet since the 10 Commandments, we have been commanded to love. How is this new? It's in Jesus' next line: "As I have loved you, so you also should love one another." Our love is not to exist because the law tells us we have to, our love must exist because Jesus has loved us first. His love stems from a personal relationship, not a law. He cares for us and about us.

The Knights of Columbus take this very seriously, performing our acts of faith and charity out of our love for others, based on the love Jesus has demonstrated to us. Please consider joining us in our quest to love as Jesus loves. Go online to kofc.org/joinus and put in the promotional code MCGIVNEY2020 for free online membership. Dues kick in a year later, but if you join the local council, our dues are lower than the national online dues. Council 2084 will get in touch with you to make it easy.

Contact Grand Knight Mike Karpus at gk2084@mikofc.org or 616-225-9419 for more information. Together, we can change lives and save lives by our love for one another.

St. Charles Council #2084
