

KNIGHTS CORNER

December 3, 2023

St. Charles Council #2084

We can't express enough how grateful we are for everyone who contributed to the Thanksgiving baskets and the food drive. The need was definitely up, but thanks to all of your support and the amazing work of some very special volunteers we helped out a record 54 families in the greater Greenville and Belding area this year in addition to the large donation we made at the food pantry. Normally we get requests from around 25-30 families, but this year the requests just kept coming. We even lucked out with a tiny bit extra and were able to accommodate a person the Wednesday before Thanksgiving. Because of your generosity we didn't have to consider saying no to anyone.

Last weekend families met after the 11am Mass and made wreaths to prepare for Advent and focus on Jesus. It was great to see so many families having fun and building a beautiful and blessed object for their homes.

In Advent, as we reflect on God's great gift to us, we often start to think about how we can share our gifts with others and "spend more time" with our Heavenly Father. If you're looking for a way to do both consider joining us this Advent @ www.kofc.org.
