

KNIGHTS CORNER

February 26, 2023

St. Charles Council #2084

From very humble beginnings, greater things can happen. Our local Knights of Columbus Council 2084 tries to hold several youth-related activities every year, and those humble little events often lead to some great results. Take, for example, two events we've held this year, our local spelling bee and free throw championship. Local spelling wizard Marissa Lyon now is going on to the state spelling bee championship, for the second year in a row. Local free throw expert Raelynn Rewa now is going on to the state free throw championship, also for the second year in a row. We are proud of all of our participants for doing their best and are cheering Marissa and Raelynn on as they continue to compete.

The Knights, too, humbly began in a Connecticut church basement 140 years ago. Now the organization has 2 million members worldwide and our founder, the Catholic priest Blessed Michael McGivney, is a candidate for sainthood. In fact, the purpose of the Knights is to make all of us candidates for sainthood. It's never too early or late to join. Contact Grand Knight Mike Karpus for information at gk2084@mikofc.org or 616-225-9419. The easiest way to join is online at kofc.org/joinus. If you type in the code "blessedmcrivney" it's free!
