St. Charles Council #2084

Over the 103-year history of St. Charles Knights of Columbus Council 2084, March has become a very busy month of service and fund-raising. We just completed our three fish fries, setting record for attendance. Thanks to all who came out and supported our efforts. We're glad you enjoyed it enough to keep coming back.

This weekend culminates our annual pie sale. Again, thanks to all who ordered pies. This fundraiser helps us pay for our various service projects, including our goal to annually help a seminarian with his day-to-day schooling costs.

Next, on March 28, the Council sponsors the annual Right to Life Spaghetti Dinner. We don't charge a ticket price, just ask for a generous free will offering. You have been extremely generous in the past, and we hope we can count on you again this year, as the fight to save the unborn is more critical than ever.

Then, at the end of the month, we hold our semiannual Tootsie Roll Drive, raising money for people with intellectual disabilities. The drive will be held at various sites around Greenville and Belding on March 31 and April 1. Again, thanks in advance for your contributions. If you'd like to help us raise money during a two-hour shift, please contact Grand Knight Mike Karpus at 616-225-9419 or go to stcharleskofc.org and sign up on the sheet. We could really use your help!

With Lent being the season of fasting, prayer and almsgiving, these various projects certainly provide opportunities in your efforts to give a little more. We're glad to help!
