

KNIGHTS CORNER

January 7, 2024

St. Charles Council #2084

Happy New Year! Thank you again to everyone who participated in the Christmas Angel program.

The last few notes have been about Advent. In addition to getting into a mindset with an extra emphasis on preparing for the coming of our Lord, the Knights were busy hosting and participating in programs and activities doing that as well.

I want to express a special thanks and welcome to the 6 gentlemen who said yes to joining the Knights of Columbus these past few weeks. 2 were able to participate in an exemplification (the official ceremony where they join our local council) between the holidays and hopefully the others will be able to participate in another one here soon. We couldn't do all that we do without the support and effort of our members so we're thrilled to welcome them.

One of the core principles of our order is Fraternity, and an aspect of fraternity is supporting and standing beside our brothers. If you've been on the fence about joining us and would like to start the year off with a commitment to your faith, family, and parish now would be a great time. We're happy to accept new members whenever they are ready, but I can't think of a better way to join than coming in standing beside a group of new brothers doing the same.
