

KNIGHTS CORNER

March 24, 2024

St. Charles Council #2084

Last weekend was a very busy week for our council. Friday we and our families put on our second fish fry. Thank you to everyone who helped and everyone who came. The first week we did one, we set a record for the number of attendees here at St. Charles, but then last week we blew that number out of the water serving over 200 people. Since I write these a week in advance (and have to mentally time travel), who knows, by the time you read this we may have surpassed that with the one we had a few days ago.

Saturday, Knights and family went to Pewamo to make the wonderful pies so many of you ordered. Hundreds of people making thousands of pies in a few hours. And then on Sunday several Knights volunteered at the Social Committee's Chili Cook Off.

Each event was impressive and while work, fun in its own right, but what really stood out to me this weekend was all the Fraternity and Social interaction we fostered in our Parish this weekend. On Friday the gym was abuzz and the kitchen definitely wasn't quiet as people got to know each other and chatted with old and new friends alike. No one likes to work in silence so everyone was having fun catching up and learning more about each other while making pies on Saturday too. And then Sunday with the Chili Cook Off what impressed me was the conversations we got to have with different people. Since there were multiple groups, contestants, and guests all in attendance. relationships were being built with people that don't cross paths as often as they should.

Thank you for supporting these events and being a part of them, and the Knights invite you and encourage you to have a blessed Holy Week.
