

## KNIGHTS CORNER

March 3, 2024

### St. Charles Council #2084

This is a very busy time of year for our council. First I want to thank everyone who came to our exemplification ceremony last week. It was our best attended yet and we are pleased to congratulate Daniel Rivera, Brian Murray, and William Rumney on joining our local council. Thank you!

The Friday fish fries will be at St. Charles the next 3 weeks and we will start running those as well. We're always proud of the number of community members we're able to bring into our facility and provide a lenten meal and a setting for some fellowship.

We're also selling pies at the moment, but in a few weeks a team of us knights will travel to go make them with other local councils. Hopefully no one changes their minds on ordering one, but this year I'm planning on helping make them for the first time because I've been told "you just have to see it."

We also have the Chili Cook Off coming up which the Knights are helping and participating in, and then we have our Tootsie Roll drive where we raise money for Camp Optimist and the Michigan Special Olympics.

As you can see there's a lot going on. Brothers please consider helping where you can, and for anyone who's not a brother yet... as always, if one of us hasn't personally asked you to join yet, please consider this your first invitation.
