St. Charles Council #2084

Huge Thank You to everyone who helped with our Christmas Angel program this year! Thanks to your generous support, donations, and shopping at time of writing this we are on the brink of helping 100 families this Christmas.

First we'd like to express our gratitude to Sarah Stechschulte and her crew who handled all the presents and gifts for needy families this year. To my knowledge we are the last ones to "cut off" our list doing everything we can to not have to say "no" to a qualifying family. This means we're often the last lifeline between a family being able to provide a Christmas meal and a few presents of clothing, book, or toys, or nothing when others have turned them away. This year we helped nearly 20 families on this front. Thank you!

I think we also should thank Ron, Krysta, Jacob, and Max Woycehoski and their crew for spearheading the food baskets this year. Many parishioners and the council had suggested that we provided baskets of food for a Christmas meal to those who maybe don't have present age children, or might get a few toys from another program but no food. For our first year we ended up with almost 80 families on top of the roughly 20 above.

Our council is both extremely grateful and so proud of our parish community for helping us live out Jesus's call in Matthew 25: "Whatever you did for one of these least brothers of mine, you did for me." You should all be extremely proud as well.

Thank you!
