Chaplin's report : Fr. Jim- talked about the market for kids and that they had a great time and were very enthusiastic. There were various booths set up by various groups. One group was the Knights of Columbus and they told people about the Greenville K of C and that they bought an ultrasound machine for the local Woman's center and they were quite impressed. They also received hats from the Knights witch the were very pleased with. They also met a group walking with *Moms in Need*.

- Last night we met with Habitat for Humanity. They are very excited about the building projects coming up and hoping to get more help from our community.
- Have you heard about the Green Rosary Group. They have green glow-in-the-dark rosaries to bring light to the world through prayer.

Grand Knights Report;

- At the Diocesan meeting the Supreme Council wants to set up a new events meeting separate from our regular monthly meeting. The Grand Knight read a little about it with more to come at future meetings. We need the pastors permission and involvement before we can proceed. This is a pilot program.

- Next the Fish Fry's are coming up soon. Ralph is in charge of this. Had a slight discussion will know more at next meeting.

Membership report: Kevin Norton

Welcomed the two new knights and everyone attended the Exemplification. It was mentioned at the diocesan meeting that we are one of a few councils who are bringing in new members. The State Deputy mentioned that we need new members to carry out the programs of the order. And we need people to help do the good work that we do.
