## St. Charles Council #2084

We have a busy week this week. On Thursday we host the traveling hour of Adoration the Knights of the diocese are putting on to foster vocations. We have recognized there is a shortage of vocations to the Priesthood and religious life. As a Diocese we are praying at the end of Mass, asking “send out laborers for his harvest.” Is God not calling young men and women to the Priesthood and religious life, or are they just not hearing the call because God’s voice is being drowned out? We must also, especially through prayer, foster an atmosphere in our families and in our parishes which promotes vocation to the Priesthood and religious life.

With this in mind we encourage everyone to come pray and spend an hour in the presence of our Lord from 7-8pm on Thursday the 19<sup>th</sup>. In doing so we foster vocations by 1<sup>st</sup>: Going out of our way to prioritize spending personal time with Jesus. 2<sup>nd</sup>: Showing those possibly hearing the call how important and meaningful our clergy and religious are to us. 3<sup>rd</sup>: Creating a quiet place for people to hear the call. And 4<sup>th</sup>: fostering the habit of Adoration as a greater community.

Then on the 20<sup>th</sup> and 21<sup>st</sup> we hand out the presents and meals provided for families through our Christmas Angel program. Again, thank you for all the donations and support over the years to make this program possible as we help some of those a little less fortunate than others still enjoy the celebration of the greatest gift we’ve ever received.
