St. Charles Council #2084

This past Christmas season has been a very busy one for our council. Thank you to everyone who helped and volunteered with our Christmas Angels and food basket program. It was very very successful and we are very grateful for all your support, the help of Jennifer Hudson and the parish office, and the leadership of the Woycehoski family on this program.

The school children competed in our Keep Christ in Christmas Poster Contest. Please check out the entries on the tv in front of the Knight's library. This week we host the Free Throw contest, and a spelling bee a little later in the month. We're also hosting the Tri-District meeting on the 22nd and rolling out a pot pie charity fundraiser for Valentine's day. Please consider purchasing a pie or two, or volunteering to help if you like making pies.

Also during the past month or two, four men have decided to join our order/council. It's always great to join with brothers so if you are considering joining, now would be a great time to talk to a knight you know and learn why they joined the order.
