

Knights Corner

June 8, 2025

St. Charles Council #2084

On Sunday June 22 after the 11:00 am Mass, the Knights of Columbus will again be carrying the canopy for the Eucharistic procession for the celebration of Corpus Christi. This is one of our more visible faith programs here in the parish and one we get compliments on. I encourage all my brother knights to attend, and if you are able to help carry the canopy please reach out to me directly. Thank you.

On this Pentecost Sunday we also celebrate the ministry fair. In many conversations it comes up how busy some of our members are, often when they are apologizing for not making a meeting or a particular event. Often I hear “sorry, I’m just so involved with xyz.” When it comes to a parish ministry (or a community ministry for that matter) I’m always more proud than anything. For those of you already involved in one or two: Thank you for sharing your gifts in the manner you're most called, and thank you for doing it as a Knight. And for those of you looking for a way to utilize your gifts more, the parish has lots of opportunities.
