## St. Charles Council #2084

This weekend brothers, their families, and volunteers traveled to Pewamo to make all of the wonderful pies you ordered. Thank you! Unlike the fundraisers many of us did as kids for sports where the work is really just getting out of your comfort zone and “selling”, with these pies we basically run a factory for a day. In just a few short hours we make at least over a thousand in assembly line fashion. I think part of the reason this one is so fun for some of us is it lets us exercise our core principle of Fraternity. As a person who works remote now, one of the things I miss is the ability to just chit chat while I worked. Events like the Fish Frys, Pie Making, and the Danish Festival, while busy and tiring, give us the opportunity to learn more about some new friends or catch up with old ones while we work with our hands.

Also please join us this week for the Spaghetti Dinner on Tuesday from 4:30-6:30 pm at St. Charles. It's a free will offering with the proceeds going to support our friends at Flat River Right to Life.
