St. Charles Council #2084

Where were you on September 11, 2001? For me I was sitting at the Career Center listening to my instructor discussing psychological aspects of our corrections system. Then we were told to turn on the classroom TV and listen. What we students saw was an aspect of our world that normally we, as Americans, don't usually see. A tower on our own soil struck by an airliner taken over by persons with malicious intent to do harm. Regardless of politics and religious affiliation, there were many souls lost that day. Many families affected by the loss of loved ones and many more now awakened anew to world events. I would wonder over the years if only one thing could have changed, then maybe the hearts and minds of those who perpetrated this historical event would lead them to dialog instead of action. Alas, we won't know until we go home as well. But for today those of us here can still do something for all of those souls... remembering them and praying for them we can do our part in God's economy and hope that many souls reach the gates of Heaven. So, please attend the September 11th prayer service on Friday September 11 at 6pm in St. Charles parish. It has been 25 years since these tragic events occurred and your KofC Council #2084 has held a prayer service every year to remember those lost to the attacks and pray for their souls. Please come and pray with us, any and all. We may not know today how our prayers help but one day we will.

Peace to you all and Vivat Jesus!

Robert E. Pratt Jr.

Grand Knight

Knights of Columbus Council #2084
