St. Charles Council #2084

These past few weeks have been busy for our council. We have one St. Charles representative from our faith formation program who won the district free throw championship for her age group, 4 St. Charles school students compete at the diocesan spelling bee with 3 moving on to the state level, all the work and support on our pot pies, and the spaghetti dinner for FRRTL. Thank you for all the help and support in these efforts.

You also heard from our brother Rob on our next installment of the Cor program. As mentioned this is open to all men over 18, Knight or not. However if you do feel called to be a knight this lent, we have 5 brothers joining our council in the next few weeks and would love you to have you join as well. Please reach out to me at gk2084@mikofc.org if you are interested.
