St. Charles Council #2084

Huge thank you to all of our volunteers who helped make pies last weekend. You all went above and beyond and we really appreciate it. Thank you for ordering and continuing to purchase our St. Valentine's day pies the proceeds will make a big impact on mothers choosing life. And in a similar vein please look to attend our spaghetti dinner to benefit Flat River Right to Life if you are able.

The Knights of Columbus, by way of the Cor program, are excited to offer a twelve part video series entitled "Into the Breach" discussing examples in which men can rise to Christ's calling and serve their family and community. Let me personally invite every man, age 18 and older, to be a part of these discussions. You do not have to be a Knight to attend. We are currently meeting at St. Charles in Greenville on the first and third Tuesday of every month at 6:30 pm to approx. 8pm in either McKinney Hall or The OCIA meeting room. We strongly encourage young and old men alike to attend as both bring wisdom and fresh perspectives to the group and if previous meetings have shown this dynamic has led to wonderful incites. There is much we can learn from each other so lets create a dialog and start today. Please see Rob Pratt or email md2084@mikofc.org
