St. Charles Council #2084

It is that time again folks, time for us to start thinking about Danish Festival 2026. If you have helped in the Knights of Columbus Aebleskiver booth or in the kitchen in the past and would like to again please sign up and get your spot filled. And if you haven't helped at this event in the past, give it a try and fill out a time slot. Our crew is always willing to show you the ropes and no position is too small. So be on the lookout for the sign-up sheet in the narthex.

Additionally, the Council would like to announce an exemplification ceremony for new members on August 9th, 2026 after the 11:00 am Mass at St. Charles, And we would like to invite any Male of the age 18 years old or older, that is a practicing Catholic, to sign up online or see a fellow Knight of Columbus to get information about the Order. The process takes only a few minutes and the rewards last a lifetime.
