St. Charles Council #2084

Thank you to everyone who ordered and/or helped us make pies this weekend. Please don't forget to pick up your order.

This coming Friday is our last fish fry. Thank you for all the help and support.

As Easter approaches, we're kicking off our Easter basket program, where we deliver a meal to needy families so everyone in our community has the opportunity to celebrate Jesus's resurrection. If you would like to help or know someone who could use a basket please let us know.
