St. Charles Council #2084

This coming Friday the Lenten fish fries move to St. Charles and our council. To all my brother Knights out there, please reach out to me or Ralph Van Ocker to volunteer to help. It's a fun one to work, but it takes a small army. To all our friends in the parish please do what you do every year and come enjoy dinner! We greatly appreciate your support.

We're also taking orders for pies. We'll be making the pies in Pewamo on the 21st, so please mark your calendars and reach out to Mike Smith or myself for details.
